Juniors and seniors have a variety of options by which they may complete the physical education requirement.

Junior and Senior Physical Education Options

To fulfill the requirement for physical education for junior and senior years, all students must select one of the following options each year:

1. *Elect the existing junior/senior physical education course for at least one semester each year.*
2. *Play on an inter-scholastic team at HHS for at least one season.*
3. *Participate in an after-school intramural weight training and conditioning program at the HHS weight room.*
4. *Participate in a fitness/exercise program at a fitness/exercise facility.*

Please note that graduation credits are awarded only for those who elect to take the HHS course in physical education. No credits will be awarded for any options that take place outside the school day, nor can any out-of-school option count towards the structured learning time mandate.

In order to complete the Physical Education requirement during your junior and senior year, you must complete 72 hours in an approved fitness program either using the weight room at HHS or an outside facility. Examples of this might be to work out at the Rec or Planet Fitness, weekly workouts with a trainer, outside of school competitive sports (soccer, swim team, horseback riding).

Prior to starting your 72 hours you must fill out the attached form and submit to Mrs. Shinney. During your 72 hours you must complete a weekly log, listing the dates, description of physical activity, and total hours that week. Upon completion of 72 hours, students must obtain a signature from the fitness facility and complete the fitness summary sheet. In order to receive a P for the course, the attached sheets must be returned to Mrs. Shinney at the end of the term nearest completion.

If you have any questions, please contact Mrs. Shinney at Eshinney@hinghamschools.org.

Good luck in your program,
