As we head into the last full week of school...

1. DESE has asked principals to distribute an **online survey** to all staff members who participated in any aspect of MCAS administration this year. If you'd like to provide feedback on your MCAS experience, please click [this link](#). Totally optional.
2. Looking for something fun to do later today? Three suggestions: First, cheer on our **girls' tennis** team against Needham at 4 PM. Second, stick around to see our top-seeded **boys' lacrosse** team host Marshfield at 7 PM. Both contests represent **quarter-finals** in the Division I South sectionals. And your third great option, simultaneous to the lacrosse game, is the final concert of the year: **Jazz Night** in the cafeteria, featuring performances from several high school bands and choral groups. Bring friends and family!
3. I think you'll be happy to hear that badly-needed improvements to our **PA system** are set to begin on June 17th. Finally!
4. The **end-of-year luncheon** sponsored by the PTO is scheduled for the second-to-last work day this year. Mark your calendars for **11:30 AM on Monday, June 17th**. Also new this year: **Wahlburger's!**
5. The fourth bi-annual **Andrew B. Warhaftig "Catching Kindness" Awards** ceremony was terrific, as always, on Tuesday morning. Special thanks to the event's organizers, **Andy Hoey** and **Erica Pollard**, as well as the many teachers who nominated students. Like its namesake, this event make our school a better place.

Have a great weekend, everybody!
