

**Friday, November 30, 2018**

**A few points to consider as we prepare to turn another page on the calendar...**

1. Don't forget the **next freshman advisory** is scheduled for **Monday** (Dec. 3rd) during the **second half of B Block**. The coverage schedule is attached below. Please take a look to see how it might impact you, even if you're not an advisor.
2. More than fifty HHS students will be honored as part of the third biannual "**Andrew Warhaftig 'Catching Kindness' Awards**" next Thursday, before school. Special thanks to the many of you who took the time to nominate a student, and, especially, to **Andy Hoey** and **Erica Pollard** for spearheading this terrific new tradition.
3. As a reminder, if you're a club advisor, please consider registering your club to recruit new members at the "**Club Expo**" during lunch next **Thursday** (Dec. 6th). Especially since it's "Inclusive Schools Week," we're hoping to emphasize the wide variety of clubs at HHS and reinforce the message that there's truly something here for everyone. Much obliged to **Kathryn Black** for organizing this first-time event.
4. **Dr. Galo is still recovering** from her recent surgery at a local rehabilitation center. If you'd like to send a card, here's the address: Dr. Dorothy Galo, Queen Anne Nursing Home, 50 Recreation Park Drive, Hingham, MA 02043. Never underestimate the power of words to contribute to healing!
5. This is going to be a very big weekend for **Monica Black** and her family, since Monica's son, **Ian**, is getting married tomorrow. Seems like only a week or two ago that Ian was walking our halls as a high school student. Time flies. Our congratulations to the groom and his mom, too!

Have a great weekend, everybody!

**Rick Swanson**  
**Principal**
