

## **Five for Friday (May 29th)**

### **As we close out the month of May...**

1. We have finalized the **plan for teachers to clean out their classrooms next week**. Please follow all instructions and include your names on the sign-up sheet. Sorry about the short notice but it took longer than expected to get these plans approved by local health and safety officials. At any rate, we look forward to seeing you in person at some point next week!

2. Members of the HHS Class of 2020 will participate in a **car parade** on the morning of **Saturday, June 13th**. The procession will start at **9 AM** from the parking lot at Resurrection Church and travel down Main Street before turning right at Free Street and continuing past the high school. Members of the HHS faculty and staff are invited to park in the school lots and wave to the seniors as they drive past. Needless to say, all participants should wear masks and maintain social distance. I hope to see many of you there for what is sure to be a fun and memorable experience.

3. We're still working on plans to hold an in-person **awards ceremony** for seniors later in the day on **Saturday, June 13th**. We now believe the event could happen on the multipurpose turf field with students spaced out across the entire field, probably live-streamed without spectators. Stay tuned for confirmation and additional details.

4. Next week, an eleven-member committee will interview nine semi-finalists for the **assistant principal** position. If you would like to contribute to the creation of the candidate profile, please refer to the Google Drive for form provided.

5. As we kick off **Pride Month** on Monday, I hope you'll consider supporting the work of the fledgling [Hingham Pride Project](#). A message posted just last night by one of our students on a Hingham discussion board (see attached) underscores the urgency of the work before us.

Finally: **Thank you** for your ongoing and exceptional efforts to deliver high-quality remote learning opportunities and stay connected with your students. You're the best. Have a great weekend, everybody!

**Rick Swanson**  
**Principal**  
**Hingham High School**
