As we close out the first quarter...

1. If you plan to do any shopping at the **Fruit Center Marketplace** next week (11/4-11/10), please [print a promotional flyer](#) and present it at check-out to help support the HHS PTO. These are the same people who fund mini-grants and a wide range of other programs (including teacher appreciation breakfasts and luncheons, etc.) so we should help them every chance we get.

2. You may get an opportunity to say hello to our new superintendent, **Dr. Austin**, on **Tuesday** morning, when he makes his scheduled **monthly visit** to HHS classrooms.

3. Looking for something fun to do later? Well, the fall **playoffs** have started and **every one of our teams has qualified**. Two of them will get home games tonight. Get in on the fun by attending the **volleyball game vs. Plymouth North at 5:30 PM** and the **football game vs. Bishop Feehan at 7 PM**. Go Hingham!

4. Thanks to **Mike Doherty** and **Ryan Eschauzier**, we may never think of Little Red Riding Hood and the Big Bad Wolf in quite the same way. Be afraid; be very afraid!

5. **Ron Woolley** as an ancient VCR set ablaze. The rest of the **social studies department** as firefighters. Looks like enough time has passed that WE CAN FINALLY LAUGH about the Great Fire of 2019. Hallelujah!

Have a great weekend, everybody!

Rick Swanson
Principal
Hingham High School
