**As Spirit Week approaches its conclusion...**

1. Please mark your calendar for our next **faculty meeting** on **Wednesday** afternoon (Oct. 16th) at 2:45 PM. We'll return to the more comfortable seats of the **auditorium**.
2. If you haven't checked it out yet, be sure to open up the ***Hingham Arts News*** that was sent out by email to the entire school community (teachers, students and parents) yesterday. With this impressive inaugural edition of the newsletter, editors **Rose Papuga** and **Ryan Eschauzier** have given themselves a tough act to follow!
3. Did you know a small **solar array** was installed on the roof above the 270s hallway last year? As the chart below proves, it's making a small (but REAL) impact on our school's carbon footprint. Let's get more of those solar panels!

4. A hearty congratulations to our head girls' basketball coach, **Eugene Buczynski**, who was just named the **Division II Girls' Basketball Coach of the Year** by the state coaches' association. "Coach B" teaches over at South Elementary School, but he's a regular visitor here at HHS, not just during basketball season, but all year long. You won't find a more dedicated coach or (more importantly) a nicer person. His honor is well deserved!

5. Special thanks to everybody who has volunteered to help chaperone the **Homecoming dance** on Saturday night. You all get my vote as "Homecoming Heroes and Heroines." Without you, that event (guaranteed to be among the highlights of the year for so many students) would not be possible. And the same goes for the many other coaches and club advisors who will spend a big chunk of Saturday at the tables. Thank you for continuing to prove that school spirit is alive and well at HHS.

Have a great LONG weekend, everybody!
