

April 9, 2021

Dear HHS Students and Parents/Guardians:

As part of its phased reopening, HHS will resume full days of instruction on Monday, April 26th. The schedule will look very similar to the one currently in place, with the following exceptions:

- **Classes will be lengthened from 75 to 83 minutes.**
- **Three lunch waves will be embedded in the third period of the day.**
- **G & H Block classes (previously all-remote) will meet in person as the fourth period of the day.**

We will continue a two-day rotation, as follows:

- **Day 1: A, B, C and H Blocks**
- **Day 2: D, E, F and G Blocks**

Students who are currently not scheduled for a G and/or H Block class will have the option to 1) enroll in a Directed Study, supervised by a teacher in a school classroom, from 1:09-2:32 PM; or 2) leave the building in order to continue learning activities at home. Please indicate your preference on [this survey](#) by 8 AM on Tuesday, April 13th. Thank you!

**Richard Swanson
Principal
Hingham High School**
