COUNSELING DEPARTMENT**
Director K - 12
Heather Rodriguez

August, 2023

Dear Parents,

I hope that you have all enjoyed a restful summer. Your student's schedule for the upcoming school year can be accessed via the Aspen X2 portal. All students except those carrying three AP courses are required to carry 30 credits. If you need to add courses to meet that requirement or if there are errors on this schedule, please email your school counselor (emails below). Counselors will be answering emails regarding errors or omissions on August 28th and 29th. Please note that changes are often challenging as many classes are already at capacity. We hope you enjoy the remaining days of summer!

School counselor email addresses are as follows:

Heather Rodriguez ~ hrodriguez@hinghamschools.org
Ben Cimmino ~ bcimmino@hinghamschools.org
Jessica Gawel ~ jgawel@hinghamschools.org
Jennifer Hart ~ jhart@hinghamschools.org

Erin Krall ~ ekrall@hinghamschools.org
Kelly McPeck ~ kmcpeck@hinghamschools.org
Cathleen Savery ~ csavery@hinghamschools.org
Kelly Turner ~ kturner@hinghamschools.org

As always, the School Counseling Department's web site includes direct links to every college and university in the United States, Canada, and the U.K.; ROTC programs and other military options; alternatives to college; financial aid information; foreign exchange programs; SAT, ACT, and PSAT information; a comprehensive calendar of important dates; information for students with learning disabilities; and a wealth of additional valuable information. Check it out at www.hinghamhighschoolcounseling.weebly.com.

Finally, the School Counseling Department will continue to offer seminars to all students in grades 9 – 12 according to the following schedule:

Grade	When / Where
9	During scheduled physical education class
10	During scheduled health class
11	2 nd Semester ~ Small groups and individually during an assigned study hall or by appointment
12	1 st Semester ~ Small groups and individually during an assigned study hall or by appointment

Senior seminars will begin approximately three weeks after school has begun. At that time, students will be notified of their seminar assignments. Students whose schedules do not permit a student to be assigned to a seminar will meet with their counselors on an individual basis as time permits to review the topics covered in each seminar. As always, counselors remain available on an individual basis throughout the day.

Sincerely,

Heather Rodriguez
Director of School Counseling
