4 - FY 25 BUDGET PRIORITIES

RS shared the following "High School Budget Priorities and Considerations" with members of the School Committee at a budget discussion on 12/11. The subject will be addressed again at the next meeting on 1/22.

- *Enrollment has declined at HHS. Review of current class sizes, department staffing, and offerings.*
- *HHS remains committed to maintaining strong and comprehensive programs, including core academic, elective, co-curricular, and extra-curricular programs.*
- *The percentage of students receiving special education services and 504 accommodations continues to increase. Review of current special education staffing and programs.*
- *In the face of growing concerns about mental health and SEL, HHS remains committed to sustaining and enhancing tiered systems of support.*

The School Improvement Plan for the 2022-2023 and 2023-2024 school years:

1. Promote civic engagement for HHS students.
2. Expand community service opportunities for HHS students.
3. Explore the creation of "Pathways" for HHS students.
4. Bolster the school's commitment to and practice of "Environmental Stewardship" as a Core Value.

5. Build community and strengthen school culture in ways that promote a genuine “sense of belonging” for all members.
