Daily Notices...

There will be an end of the year **Harborlight** meeting after school on Monday, June 10th in Ms. Fennelly's room. All staff are welcome. Pizza will be served.

There is **NO Homework Club** tonight. Good luck on exams and see you in the fall!

In Sports News: Over the weekend, we had 4 teams advance to the final 4. On the **tennis** courts, both the boys and girls tennis teams advanced to the final 4. The boys won 3-1 against Sharon while the girls won 4-1 against Duxbury. On the turf, the **boys lacrosse** team won 9-3 against Mansfield to punch their ticket to the round of 4. This was similar to the girls' 13-8 win against Longmeadow that earned them a spot in the Final 4 as well. Looking forward to this week, the **girls lacrosse** team will face a close rival as they look to knockout NDA after school today at Scituate High School. Be sure to show up and support your classmates! The boys lacrosse team will travel to Assabet to take on Longmeadow in a final 4 showdown to decide who advances on Tuesday at 6:30.

AP Statistics students signed up for next year's course, the summer assignment (both the problems and the necessary textbook sections) will be available on the HHS website as a pdf, designed for you to print out at home. However, if you would like a hard copy of the assignment and/or the textbook, please see Mr. Burke in Room 276 sometime this week (any block but B and C).

Congratulations to **Graeme Baker** on his nomination for **Best Supporting Actor by the METG Musical Theater Awards!** Graeme was nominated for his portrayal of Dr. Orin Scrivello in Little Shop of Horrors and was selected by adjudicators who viewed musicals from 47 different schools. He will be recognized at an awards ceremony this evening in Lawrence and will be performing with some of the other nominated actors.

There will be a **Common App Workshop** day on Monday June 10th - Day 1 in the HHS Cafeteria (all blocks except lunch). School Counselors will be available during each study hall to assist juniors in starting their Common Application. No sign up required. The Common Application is the most frequently used college application. Juniors can create and start the application now to get ahead of the busy senior year summer. If you are in Study Hall stop by the cafeteria.

For students planning to take **AP Seminar** next year, there is summer work. Join the Summer Work Classroom, join code 3hf45t2. This code will also be emailed to you shortly. If you have any questions, please see Mrs. Garland in the LMC.

Reminder to all juniors driving to school, if parking in close you must be in a numbered spot. Spots without numbers require a staff placard. Also, there is a box in the main office for you to **return your parking placards**. All parking is first come, first served for the remainder of the year, so please drop it off at your earliest convenience.

There is a sharp increase in automobile fatalities involving teen drivers from Memorial Day to Labor Day, also referred to as the 100 Deadliest Days. Did you know 60% of teen crashes today are caused by distracted driving? The **SADD Club** wants to remind you to always buckle up, never drive impaired, put your phone away and focus on the task of driving. Come join us for our last meeting tomorrow morning at 7:30am in the auditorium. New members are always welcome!

Anyone interested in submitting any creative writing, artwork, or photography to this year's **Outer Limits**, HHS's creative magazine, please see Ms. Fennelly in room 184 or email her at afennelly@hinghamschools.org.

Students: Please be reminded that all entrance to **the building should happen through the main front door** in the morning. That door opens at 7 AM.

A reminder to all student drivers: Be sure to drive safely, especially in the neighborhood around the school. The Hingham Police Department has received several complaints recently about speeding on Union Street and Pleasant Street, so you can expect a heightened level of supervision and enforcement of the speed limit.

This is a friendly reminder that, during lunch, all HHS students, regardless of grade, are welcome to sit outdoors at the picnic tables behind the cafeteria. Fresh air is good for you, so feel free to take advantage of “al fresco dining” whenever you want to get outside at lunch time.
