Ambassador Club	<p>The Ambassador Club is a community service club for 6th, 7th, and 8th grade students. The Ambassador Club strives to help our students become connected to Hingham Middle School and the surrounding communities through participation in charitable work.</p> <p>Past activities have included: food drives for our local food pantry, supplying toiletries and other items to Rosie's Place holiday drive, organizing and running the student vs. faculty basketball game, collecting socks for the homeless, volunteering for the Pan Mass Challenge Kids Rides, helping out with Start with Hello Week, creating valentine's for nursing homes, collecting funds for hurricane victims, organizing Pink Day in honor of breast cancer awareness, fundraising for Dana Farber Cancer Center, and running the HMS Trivia Bowl.</p>	The Ambassador Club meets regularly on Thursdays throughout the year.	Tim Galvin Sarah Cassidy	tgalvin@hinghamschools.org scassidy@hinghamschools.org	u7nj6hc
Grade 6 Homework Club	Feel free to join Mr. Weiss in Room 107 for Grade 6 Homework Club. It will start this Tuesday (9/17/19) and continue EVERY TUESDAY for the foreseeable future. Students can work in a supportive environment for an hour after school and take the late bus home.	Tuesdays	Julie McDonough Bob Weiss	jmcdonough@hinghamschools.org rweiss@hinghamschools.org	

Grade 7 and 8 Homework Club	Students will have a quiet, supervised environment where they can get started on assignments. Also an opportunity to work with classmates on group work.	Thursdays	Mark McCulloch	mmcculloch@hinghamschools.org	
Lego Robotics	LEGO® SPIKE PRIME Set is a hands-on, cross-curricular STEM solution that engages students by providing the resources to design, build and program their creations while helping them develop essential skills such as creativity, critical thinking, collaboration, and communication. Students will design and build a "robot" that will complete various tasks.	Every other Tuesday, Started 10/4	Jess Flaherty	jflaherty@hinghamschools.org	7tazhza
Future City	Future City starts with a question—how can we make the world a better place? To answer it, 6th, 7th, and 8th grade students imagine, research, design, and build cities of the future (using SIM CITY software) that showcase their solution to a citywide sustainability issue. The 2019-2020 theme is Clean Water: Tap Into Tomorrow. Teams will choose a threat to their city's water supply and design a resilient system to maintain a reliable supply of clean drinking water.	Every other Monday	Catherine Yindra	cyindra@hinghamschools.org	w6qt334
Coding Club	The Coding Club is a fun way to learn (or continue to learn) text-based coding in a social, after-school environment. No coding experience is required.	Every other Monday	Catherine Yindra	cyindra@hinghamschools.org	7fm6mro
Ski Club	Members of the Ski Club will travel by coach bus to Pat's Peak for three Saturdays during January, February, and March. Students can choose skiing or snowboarding, and, if necessary, sign-up for a lesson.	Trip Dates will be announced this winter.	David Riordan	driordan@hinghamschools.org	
			Mark McCulloch	mmcculloch@hinghamschools.org	
			Kim Canney	kcanney@hinghamschools.org	
World Culture Club	The World Language Club fosters students' knowledge, interest and understanding of other cultures around the world through food, language, and art. We celebrate and promote the diversity within our school and community. Depending on availability, activities could include trips to museums and restaurants, art projects, guest speakers, and films.	Monthly. Days TBA	Suzanne Weiss	sweiss@hinghamschools.org	
			Arianne Swearingen	aswearingen@hinghamschools.org	

History Hunters	To enhance the understanding of a variety of cultures, the club visits some local sights. In the fall, The Old Ordinary, at night, to experience the culture of the early years of living in Hingham. A visit to the Hingham Historical Society, to introduce current exhibits. Punjab Cafe in Quincy, the club members taste a bit of Indian cuisine. Additional events are added as the experience become available.	Trips take place throughout the year and will be announced in advance in the HMS Connection and Daily Notices.	June Gustafson Julie McDonough	jgustafson@hinghamschools.org jmcdonough@hinhamschools.org	
Video News Club	The purpose of the Video News Club is to foster an interest in video production while promoting Hingham Middle School events and providing news spotlights to the HMS community. Members will develop a knowledge of videography, editing skills using iMovie and Final Cut Pro X software and develop an understanding of the basics of Studio Production.	We will meet on the first and third Monday after school in the LMC. The Fall and Spring sessions are open to all students.	Tracy Blake	tblake@hinghamschools.org	Google Classroom
PAW (Poets, Artists, and Writers)	Poets, Artists, and Writers, AKA "PAW," is open to students from all grades who are interested in the arts. Students come together to write poetry and short stories, draw pictures, talk about creative projects, and even share musical performances now and then. This year we will be meeting in room 215 with Ms. Cassidy	This year we will be meeting on alternate days: Monday one week, Tuesday the next. Our first meeting will be Monday, September 16. Email the club advisor with any questions	Matt Dwyer	mdwyer@hinghamschools.org	
Cooking Club	The cooking club will cook & bake a variety recipes throughout the year. It will help to enhance students; comfort in the kitchen, skills and knowledge. Sign ups are outside of Mrs. White's room. (124)	We will meet every other Tuesday in room 124.	Katie White	kwhite@hinghamschools.org	
Art Club	The art club will do a range of projects working in different mediums and is open to any student who has an interest in art. Limit to 15 students, sign up sheet will be outside Miss Leslie's room 224.	We meet every other Tuesday. Check Google Classroom for more information.	Lauren LaPointe Leslie O'Neill	llapointe@hignhamschools.org loneill@hingahmschools.org	oafncf7
Gender, Sexuality, and Allies	The Gender, Sexuality, and Allies Club at HMS was created to provide a space for students who are either a part of the LGBTQ+ community or who wish to be supportive of those who are. Games, conversation, music, activities, and crafts are used as opportunities for students to engage with each other.	Tuesdays and other days announced in the daily announcements	Lindsey Troy Jenna Nelson	ltroy@hinghamschools.org jnelson@hinghamschools.org	

Green Team	The Middle School green team has promoted sustainable initiatives including installing garden beds, composting in the cafeteria, school wide recycling and has piloted a hydroponics system in a life science classroom. Along with the environmental benefits of these programs, teachers are given the opportunity to provide students with hands-on learning. All of this is done through a teacher/student/parent collaboration and with continued support from the HPS community we hope to further promote sustainable practices.	Meetings are announced on the Google Classroom site.			
			Shayna Duncan	sduncan@hinghamschools.org	ybdi3sl
			Sarah Cassidy	scassidy@hinghamschools.org	
Endangered Turtle Project	HMS participates in a program that raises a species of endangered freshwater turtles each year from September until May. Students will learn about the turtles and how to help care for them.	Days will vary throughout the year. Check the Google Classroom for more information.	Jess Flaherty	jflaherty@hinghamschools.org	kkebtq
