## CULTURAL CALENDAR

As an increasingly diverse school district, the Hingham Public Schools celebrates the many cultures represented among our families and staff. These holidays are listed here to increase awareness among students and staff that these are significant holidays for our students. While many of these holidays remain official school days, we hope that listing them with the school calendar reminds our families and teachers that students who celebrate these holidays have an excused absence from school and assists them with avoiding scheduling major school events on these days.
