

# How to guide: Youtube live chat

After clicking on the youtube link for the School Committee meeting. You will see a box on the right side of the screen. The box is highlighted below in red. This is the chat box.

You can type your response at the bottom of the chat box. Type your response where it says 'Say something' and press enter to submit your response. All responses will be shown for everyone to see.

If the chat box is not open when you click on the Youtube link, you can open it by clicking the show chat button indicated on the right side of the screen in the image below.
