## **Dear 2022/2023 Kindergarten Families,**

Hingham Public Schools has provided the Kids in Action Before and After School program to Hingham families since 1986. With a focus on Social and Emotional Development while supporting academic skills, the program is designed with a structured, yet flexible curriculum that encourages independent thinking and self-help skills. The Kids In Action program provides outside play, snack, arts and crafts, organized games, STEM activities and child directed activities. Themes incorporate board games, dramatic play, science, math, and children's literature into the daily routine. The program offers children abundant opportunities to develop social-emotional skills and to make lasting friendships.

The Kindergarten program is located at the South Elementary School and offers care for Before School, After School or a combined schedule. Transportation from the Before School programs at East and South, and to the After School program at South is provided by Hingham Public Schools.

Kids In Action follows the Hingham Public Schools calendar. The program is open on early release days at no additional cost. All tuition is collected through FACTS Management, in 10 increments from August – May. Tuition is approved annually by the Hingham School Committee

Online Registration will begin on **April 11, 2022**. A link will be posted on the website.
