## Summary Statements

- Page 4 **A Summary of Plans**  
89.9% of students in the Class of 2020 attended four-year colleges. The overall percentage of graduates who plan to continue their formal education now stands at 94.8%.
- Pages 17-18 **SAT**  
The SAT changed for students beginning with the class of 2017. There are now two sections: Evidence-Based Reading & Writing and Math. There is no longer a separate writing section. The total score is out of 1600 possible points each section ranging from 200-800 points. There is an optional essay section of the exam. The College Board reports that scores on the new exam may not be compared to the old exam because the two tests are based on different score scales and different benchmarks. The mean scores on the new SAT for the class of 2020 was 1207 for Hingham High students, 1119 for Massachusetts, and 1051 for the nation.
- SAT Evidence-Based Reading and Writing**  
Hingham High School's mean score was 608 compared to the Massachusetts mean of 560 and the national mean of 528.
- SAT Math**  
Hingham High School's mean score was 599 compared to the Massachusetts mean of 559 and the national mean of 523.
- Page 19 **SAT Subject Tests**  
The SAT Subject Tests are one-hour multiple-choice tests in specific subjects. Unlike the SAT Reasoning Test which measures more general abilities, the SAT Subject Tests measure knowledge of a particular subject and the ability to apply that knowledge. At present, only 3 colleges *require* SAT Subject Tests and another 13 *recommend* them for all applicants. There are 13 additional colleges that require or recommend them for certain programs or scholarship eligibility. Over and above these requirements or recommendations, Subject Test scores can serve to highlight a student's areas of strength. The College Board is now reporting Subject Test scores by test year as opposed to graduating year cohort. Unfortunately due to the COVID-19 pandemic, many students were not able to test during the 2019-2020 school year because Subject Tests are primarily taken in the spring and those tests were cancelled. None of the Subject Tests, with the exception of Math Level II had enough students to report a mean score.
- Page 19 **Biology SAT Subject Tests**  
In Hingham, the Biology test (Ecological or Molecular) is usually taken by honors-level students upon completion of the course in the 9<sup>th</sup> grade year. The Hingham curriculum is aligned to the MCAS rather than the SAT Subject Test. However, between the two subject tests, the curriculum lends itself more to the Ecological focus. Students must complete a good amount of self-directed preparation in order to be prepared for the Biology Subject Tests. Students are generally not exposed to molecular concepts until they have completed chemistry.

- Page 19      **Chemistry SAT Subject Test**  
The Subject Test in Chemistry is usually taken at the end of the 10<sup>th</sup> grade year in Hingham as compared to at the end of the junior year in the rest of the state and country. There are areas of overlap with the Hingham curriculum and the SAT Subject test material. However, students need to do self-directed outside study in order to be most successful on the exam.
- Page 19      **Mathematics Level II SAT Subject Test**  
The mean score of 695 on the Math Level II is a result of 15 students sitting for the exam. The Math level II exam covers the same material as Math I with the addition of some trigonometry and elementary functions (precalculus) as well.
- Page 20      **ACT**  
The ACT Corporation continues to report mean scores and data based on the graduating class cohort. Data contained in this report is for the Class of 2020. 73 students took the ACT. This year's scores decreased slightly compared to those of the previous year. The mean composite score of Hingham students was a 26.6 composite compared to 26 and 20.6 in the state and nation respectively.
- Page 21-23      **Advanced Placement Exams**  
Of the 308 graduates of Hingham High School in 2020, 124 seniors took 277 Advanced Placement exams. Approximately 40% of the graduating class participated in the AP program by taking one or more exams. In total, 247 students took 447 exams. The impressive level of competence demonstrated by our students proves that they are truly ready for college level work. In 2020 the COVID crisis impacted AP testing. Typically, exams are given on paper at the high school. Last year, exams became optional and students who opted to test were sent online exam access codes. Students who did not take advantage of the online access code for the initial exam were automatically sent another access code for a late exam.
- Page 24      **AP Mean Grades**  
40% of the graduates took an AP class. Our students demonstrated mastery of college level content during high school.
- Page 25-28      **AP Course Enrollment and Percent of Grade 3 or Better**  
21 different AP exams were taken in May 2020. 20 were offered at HHS and 1 through our Virtual High School program. 40% of the senior class participated in the AP program by taking at least one AP class. Hingham has the 16<sup>th</sup> best AP performance in the state of Massachusetts with a 90% pass rate on 447 exams.
- Page 29      **AP Scholars**  
100 of the 255 candidates (39%) who took AP exams were named AP Scholars. 5 of our students were named National Scholars. This award is granted to students who receive an average grade of 4 or higher on all AP exams taken and a grade of 4 or higher on eight or more exams.

**National Merit Scholarships**

16 students or 5% of the graduating class earned recognition from the National Merit Scholarship Corporations as commended students.

599	559	523

<b>Combined 1600</b>		
Hingham	Mass.	National
1207	1119	1051

### Hingham High School SAT Scores 2000-2020

<b>Year</b>	<b>Critical Reading/ Reading &amp; Writing</b>	<b>Mathematics</b>	<b>Writing</b>	<b>Combined 1600</b>
2000	564	561	n/a	1125
2001	556	565	n/a	1121
2002	564	565	n/a	1129
2003	560	572	n/a	1132
2004	573	587	n/a	1160
2005	575	585	n/a	1160
2006	546	568	554	1114
2007	555	570	558	1125
2008	547	571	568	1118
2009	567	574	573	1141
2010	565	581	570	1146
2011	569	584	577	1153
2012	556	566	566	1122
2013	551	567	559	1118
2014	573	591	571	1164
2015	577	576	574	1153
2016	555	569	562	1131
2017*	611	607	n/a	1218
2018	612	608	n/a	1221
2019	601	600	n/a	1200
2020	608	599	n/a	1207

\* 2017 SAT performance results set a new baseline for future year-to-year comparisons. The College Board states that current results cannot be compared to previous results. Results from earlier reports were based on the old SAT, which was based on a different score scale and different benchmarks.

## SAT Subject Tests

The SAT Subject Tests are one-hour multiple-choice tests in specific subjects. Unlike the SAT which measures more general abilities, the SAT Subject Tests measure knowledge of a particular subject and the ability to apply that knowledge.

The College Board has changed the way they report Subject Test Scores. They no longer report by graduating class cohort, but rather by testing year. The data in this report reflects Subject Tests taken between August 2018 and July 2019 as well as August 2019 and July 2020. Since the COVID crisis hit and schools and test centers closed beginning in March, 2020, the data for the 19-20 school year is not as robust. Tests centers were largely closed between March and August 2020. The College Board offers about 20 Subject Tests. At present, only 3 colleges *require* SAT Subject Tests and another 13 *recommend* them for all applicants. There are 13 additional colleges that require or recommend them for certain programs or scholarship eligibility. Over and above these requirements or recommendations, Subject Test scores can serve to highlight a student's areas of strength. The Biology SAT Subject test in Hingham is taken in June of the 9<sup>th</sup> grade. Statewide and nationally the test is typically taken in June of the junior year. The Chemistry Subject test in Hingham is taken in June of the 10<sup>th</sup> grade. Statewide and nationally the test is typically taken in 11<sup>th</sup> grade.

**Hingham High School  
School Years 2018-2020 SAT Subject Test Mean Scores**

Subject	18-19 Number	18-19 Mean	19-20 Number	19-20 Mean
Biology-Ecological	28	645	8	*
Biology-Molecular	13	663	7	*
Chemistry	10	694	3	*
French	4	*	1	**
Literature	17	657	6	*
Mathematics I	11	681	2	*
Mathematics II	27	725	15	695
Physics	17	691	4	*
Spanish	8	*	2	*
US History	14	689	4	*
World History	7	*	1	*

\*Too few students for the mean to be statistically significant

\*\*Only one student tested and we cannot report a mean score

Important notes for this year's report from the College Board: "Unfortunately, there isn't additional supplemental data provided for the state or at the total group level."

# Hingham High School

2019	96	28.1	27.5	28.7	25.5	27.9
2020	73	26.3	26.1	27.2	26.2	26.6

## Advanced Placement Exams

The Advanced Placement (AP) program consists of a series of college – level courses and exams for secondary school students. Typically over 1 million high school students take at least one AP exam nationwide. Satisfactory completion of an Advanced Placement examination may make it possible for a student to earn college credit or advanced standing in college prior to arrival on the college campus.

In 2020 the COVID crisis impacted not only the school year and provision of curriculum, but AP testing as well. Typically, exams are given on paper at the high school. Last year, exams became optional and students who opted to test were sent online exam access codes. Students who did not take advantage of the online access code for the initial exam were automatically sent another access code for a late exam.

In 2020, 447 different exams were taken by 247 Hingham High School students. 18 AP classes were offered at HHS and 2 through Virtual High School. Physics students take 2 exams as part of their physics class. Of the 308 graduates of Hingham High School in June 2020, 124 seniors took 277 Advanced Placement exams. Approximately 40% of the graduating class participated in the AP program by taking one or more exams. In total, 247 students took 447 exams. Originally 267 students were scheduled to take 483 exams. However, once exams became optional, 247 students took 447 exams. 20 students opted **not** to take 36 exams.

### Total AP Students in Your School: 247

Totals for this View <span style="float: right;">?</span>	1	2	3	4	5	Total Exams
Number of Exams	9	34	97	159	148	447
Percentage of Total Exams	2%	8%	22%	36%	33%	100%
Number of AP Students	9	33	82	131	95	

Hingham has offered online AP courses through Virtual High School (VHS) that we could not accommodate due to scheduling conflicts or, on a limited basis that we do not offer in our building. The classes have varied from year to year. Students have taken AP Environmental Science, AP Psychology, and AP Economics most often. There are too few students enrolled in most courses to report meaningful statistics.

2020 Examinations were taken in the following subjects:

- |  |   |
|--|---|
| <ul style="list-style-type: none"> <li>Biology</li> <li>Calculus AB</li> <li>Calculus BC</li> <li>Chemistry (juniors and seniors)</li> <li>Chinese Language and Culture</li> <li>Computer Science A (VHS)</li> <li>English Language &amp; Composition (juniors)</li> <li>English Literature and Composition</li> <li>Environmental Science (VHS)</li> <li>European History</li> <li>French Language &amp; Culture</li> </ul> | <ul style="list-style-type: none"> <li>Music Theory (juniors and seniors)</li> <li>Physics C E&amp;M and Mechanics</li> <li>Research</li> <li>Spanish Language</li> <li>Spanish Literature &amp; Culture</li> <li>Statistics</li> <li>Studio Art: 3-D Design</li> <li>US History (juniors)</li> <li>World History (sophomores)</li> </ul> |

## Hingham High School Advanced Placement Scholars

AP Scholars are designated in recognition of their exceptional achievement on the college level Advanced Placement (AP) examination. In Hingham, 98 or 39% of the 247 candidates were so honored. A note regarding 2020 AP Scholar Awards from the College Board “In order to help reduce the burden on students, the AP Program is discontinuing awards that may encourage some students to take large numbers of exams. Starting with the May 2020 AP Exam administration, we'll no longer distribute State AP Scholar, DoDEA AP Scholar, and International AP Scholar awards. Check [AP Central](#) for more detailed information. “The **AP Scholar** award is granted to students who receive grades of 3 or higher on three or more AP exams.

The **AP Scholar with Honor** award is granted to students who receive an average grade of at least 3.25 on all AP exams taken, and grades of 3 or higher on four or more of these exams.

The **AP Scholar with Distinction** award is granted to students who receive an average grade of at least 3.5 on all AP exams taken and grades of 3 or higher on five or more of these exams.

The **AP National Scholar** is granted to students in the US who receive an average grade of at least 4 on all AP exams taken and grades of 4 or higher on eight or more of these exams.

The **AP International Diploma** is a globally recognized award for students interested in pursuing university study outside of their native country.

The **AP Seminar and Research Certificate** is awarded to students who earn scores of 3 or higher in AP Seminar and AP Research but not on four additional AP Exams receive the AP Seminar and Research Certificate.

**Hingham High School  
National Merit Scholarship Competition**

Merit scholars are identified from their performance on the PSAT/NMSQT. A student who is identified as a "semifinalist" is one who has scored in the top half of one percent of each state's high school senior class. Scholarship awards made to semifinalists identify those students as finalists. Semifinalists bring honor to their schools and their parents. However, it is the individual student who is recognized in the merit program for outstanding test performance that indicates exceptional academic promise.

Commended students are those who scored among the top two percent of merit program participants who took the qualifying test. Commended students have also demonstrated exceptional academic promise.

**National Merit Scholarship Summary**

<b>Class</b>	<b>Semifinalists</b>	<b>Commendations</b>	<b># in class</b>	<b>% of class</b>
<b>2000</b>	4	12	194	8
