STUDENT QUESTIONNAIRE

Please describe any special circumstances that might have affected your high school development or any unusual circumstances in your life which you feel have helped to shape your character, personality and attitudes. Circumstances might be good or bad. For example, an illness or family problem that kept you from doing your best work. Or you may have hosted a foreign exchange student for a year.

Do you feel that you have worked up to your potential in high school? If not, why? What is an accurate measure of your ability?

What would you like your counselor to highlight in a description of you for colleges?

Regardless of the teacher or grade received, what are/have been your favorite school courses and WHY do/did you like them?

Which course(s), if any, has/have given you the most trouble and why?
