## **2024 William T. Adams Memorial Scholarship**

The **Choral Art Society** is pleased to announce that once again a scholarship will be offered to a graduating senior from the South Shore who plans to pursue music as a major in college. This year, the scholarship award will be in the amount of \$1000.00, and is intended to help support a student who is applying for further study in any area of music concentration, including theory, composition, music management and merchandising, conducting, history, literature, performance, etc.

The opportunity to apply is being offered in the South Shore communities of Cohasset, Duxbury, Hingham, Hanover, Hull, Kingston, Marshfield, Norwell, Pembroke, Plymouth, and Scituate. We commend the many talented and young individuals on the South Shore and look forward to reading their applications and learning of the personal factors that have inspired them to become music majors.

As has been done in the past, we will announce the name of the 2024 recipient at our spring concert. The date and location are still to be determined. The scholarship recipient should plan to attend that concert to receive the award.

Students can find an application for this scholarship at our website:  
<https://www.choralartsociety.org/scholarship>.

The **deadline** for the receipt of the completed application form and supporting documents is **April 1, 2024**.
