

The Drew Julian Memorial Scholarship

Drew Julian was a Hingham resident for 57 years, the late husband of Evelyn Julian and father to Andrew and Christian Julian. Drew was a three-sport athlete at Hingham High School, most notably being the captain of the hockey team. Drew spoke most highly of his teammates, coaches, and mentors while playing as a Harborman. These people inspired Drew and his family to create a scholarship to support those athletes moving into their next endeavors from being a Harborman. This scholarship is for a senior planning to attend a four year college or university. It is for a deserving student who has overcome or is going through a difficult time in school or life. Whether it is a learning disability, a broken relationship, a tragic life event, financial hardship or a story that the applicant wishes to share, this scholarship aims to bring financial aid and a level of confidence to the awardee moving forward!

AWARD: There will be 2 \$2500 awards given to student-athlete recipients: 1 female and 1 male
